

Ira Israel: Relationship Coach

Welcome to the relationship coaching practice of Ira Israel.

I understand that coaching does not involve the diagnosis or treatment of mental disorders as defined by the American Psychiatric Association. I understand coaching is not a substitute for counseling, psychotherapy, mental health care, or substance abuse treatment and I will not use it in place of any form of diagnosis, treatment, or therapy.

I understand that this professional agreement is for a strictly coaching relationship. Even though Ira Israel LMFT, LPCC is a licensed psychotherapist and counselor in the State of California, his coaching practice does not include the rendering of psychotherapeutic advice or services, and no therapist-client relationship is created or implied by this agreement.

I understand that coaching is not to be used as a substitute for professional psychiatric or psychotherapist advice by legal, medical, financial, business, spiritual, or other qualified professionals. I will seek independent guidance for these matters and assume sole responsibility regarding my actions.

As your coach, I, Ira Israel, promise that all information shared with me will be kept strictly confidential, except as required by law.
